

MILITARY FAMILY INFORMATION

In an effort to stay connected with our military families, we would like to ask for a few pieces of information. During the year we will use this information to help us know which of our families are being affected by upcoming deployments.

We are also interested in staying up to date with what is happening with our military families. Throughout the year we encourage you to contact us with important information and updates.

Welcome to the Anchorage School District! We are excited that you are here!

Thank you.
